so that fort worth

SEES JESUS

like never before

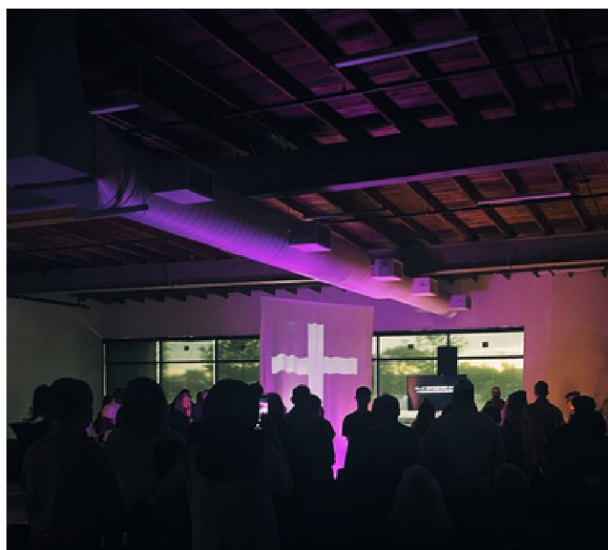

GOD HAS GIVEN US A BUILDING IN THE HEART OF ONE OF THE FASTEST GROWING CITIES IN AMERICA. IT IS TRULY A MIRACLE. AND WE NEED A LITTLE HELP TO FINISH THE LAUNCH.

Through a creative partnership, we purchased our new building, which is 14,000 square feet of old factory, that has been retrofitted and renovated to encapsulate both the funky of Fort Worth and the grit and imagination of its people.

AS A CHURCH OUR HEART IS FOR PEOPLE TO SEE JESUS, FIND A COMMUNITY, AND BEGIN TO LIVE OUT THEIR GOD-GIVEN CALLING. THAT IS WHY WE ARE SO EXCITED ABOUT THIS NEW SPACE RIGHT IN THE HEART OF FORT WORTH.

On Sundays, you will find a people gathered in worship and prayer lifting up Jesus and throughout the week you will see people realizing how they can live with purpose on their street and in their neighborhood.

The primary goal is that our space would be used by creatives, entrepreneurs, non-profit leaders, and all those looking to dig deeper into their purpose and excavate the richness of all that God has created them to be and the good they can do.

THE

CONTEXT

Fort Worth is growing faster than Dallas and is now one of the largest cities in America. And evidence of this is all around our space. Pictured below you'll see the new \$70 million dollar Rosedale Evans Development and the new National Juneteenth Museum. Major universities are taking note. Texas A&M is building a new school half a mile away and TCU is expanding. Plus the hospital district across the highway is becoming one of the largest in America.

OUR

FUTURE

We are envisioning a space that is used as much on Monday as it is on Sunday. Through events, cohorts, podcast and recording studio, co-working, art gallery, showcases, pop-up shops, and much more. This will be a hub for people to discover and take a step into their dream and calling.

RENDERINGS OF POTENTIAL GALLERY AND EVENT/WORSHIP SPACE

WE ARE CREATING A SPACE WHERE PEOPLE WILL MEET JESUS AND DISCOVER THE LIFE HE'S CREATED THEM FOR. WE NEED YOUR HELP.

KEY OBJECTIVES

● WORSHIP/EVENT SPACE — ELECTRICAL AND HVAC

There is a large clear-span warehouse that will become a top-end space in the city for Sundays, events, weddings, concerts, workshops, and more which needs electrical and HVAC.

\$100,000

● EVENT SPACE & GALLERY — AUDIO AND VISUAL

The lobby (aka Gallery) will be multi functioning, including the capacity to host small events and showcases. It will also be a gallery space for local creatives.

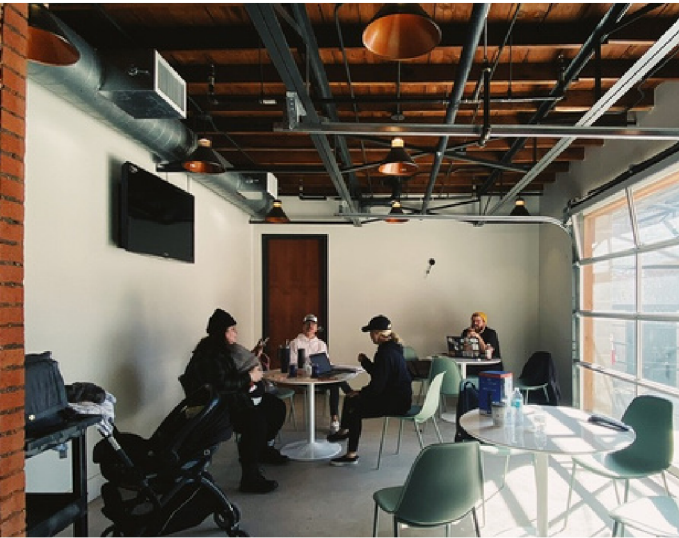

\$75,000

● GALLERY AND OFFICE — FINISH OUT

This is where we live and work. From children's spaces to work spaces. This is where life happens. Full of possibility, opportunity, and community. Creating this space requires new desks, chairs, furniture, and more.

\$50,000

TOTAL: \$225,000
